Out of the shadows of the past, dawns a new beginning

Foreword:

'Out of the shadows of the past dawns a new Oglethorpe. Our college has kept the traditions upon which she was founded, and maintained high standards through war, depression and overwhelming odds. Only now is the sky a brighter blue.

October 12, 1965, marked the anniversary of the first year completed by Dr. Paul Beall as President of Oglethorpe. During this year we have noted many changes in our college—some with regret and others with happiness. Oglethorpe University no longer exists, but Oglethorpe College is alive and full of new spirit. We are no longer a school of scholastic isolation, limited social life, and apathetic sports and extracurricular participation; we are no longer an island, but an institution of learning nationally acclaimed and recognized.

Students from Georgia and Florida have joined with others from such states as Pennsylvania, New York, New Jersey, and many Asian and European countries to form the Oglethorpe family. Even with such wide diversity of origin and interests, students still have the opportunity to meet and get to know their professors; they still know and depend on one another for companionship and pleasure.

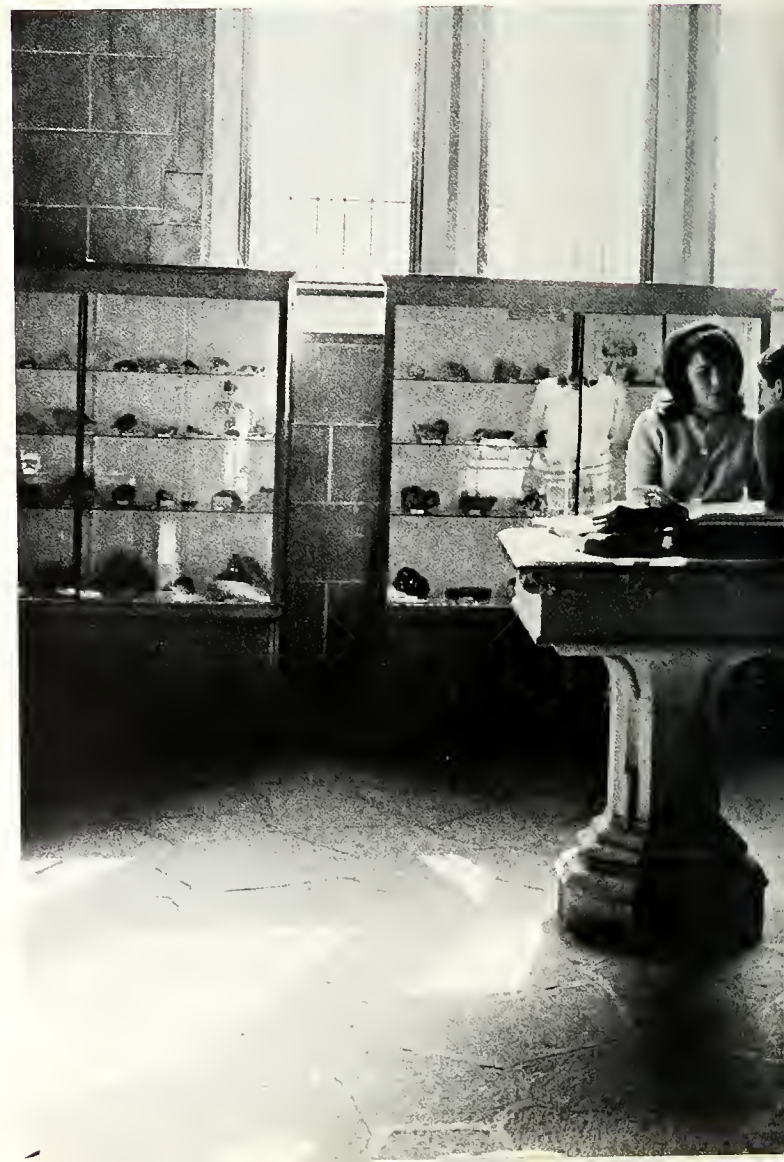

It is through these pages that the new tide of events is seen surging through and changing parts of our Oglethorpe. Some of the tradition, much of the friendship, and all of the memories will always remain the same. These are the things which we, the YAMACRAW staff, have tried to capture in this THE 1965-66 YAMACRAW.

The YAMACRAW staff wishes to dedicate the 1966 YAMACRAW to a person we feel deserves recognition which is long overdue. This professor is part of the Oglethorpe ideal; part of the old Oglethorpe, and a most essential part of the new. He contributes his time unselfishly not only in the affairs of the school but in the activities of the students as well. His classes are difficult; some pass; some fail; but all learn. It is because of this part of himself that he gives so freely to the students, for his concern for the students, and for his participation in student activities that we dedicate this 1966 YAMACRAW as a small portion of our gratitude to MR. WENDELL H. BROWN—advisor, teacher, friend.

always good, have surpassed themselves in excellence this year under the direction of Miss Mina Meines and technical director Alan Parker. The Players have presented such well-known plays as "Blithe Spirit" and "Fumed Oak" by Noel Coward; "Suppressed Desires" by Susan Glaspell; "The Twelve Pound Look" by James M. Barrie; and "Come Blow Your Horn" by Neil Simon.

The Players have continued in their excellence by writing and producing two films this year. These were: *The Fall of Crepusis Finque* and *The Ballad of Buster Badlands*. In doing so, the Players have captured talent, revealed personalities, and displayed remarkable abilities.

THE 1965 SOCCER TEAM

With skill, teamwork and what seemed like endless practice the Oglethorpe Soccer team proved this year to be both well organized and dedicated.

in 65-66 were quite different from years past in the participation involved. In football there were eleven teams and in basketball ten. Softball probably will field as many.

In football, the sophomore Raiders went undefeated to win the championship and in basketball the Tigers captured the crown. In tennis intramurals Byron Walbeck won class A, and Dave Bonham class B.

The Intramural Council, under the leadership of Coach John Guthrie responded well to the demands of an increased student body, and introduced a much improved intramural program. Members of the Council were: Seniors—Jeff Hayden and Joe Strenk; Juniors—Larry Shattles and Robert Richards; Sophomores—Aubrey Whitaker and Larry Freeman; Freshmen—Rusty Jones and Pete Butler.

Basketball

The Petrels in '65-'66 raced to a tremendous 22-6 record in a season that was supposed to be one of rebuilding. This year saw Garland Pinholster's crew streak to 15 consecutive wins at the start of the season, jump as high as third in the nation in the UPI poll, and cap the season by being invited to the NCAA tournament at Durham, North Carolina. There the Petrels were nipped by Kentucky Wesleyan in the Regional Finals, a team that went on to beat Southern Illinois in the National Finals. Two of the Petrel losses were accounted to these two teams, and yet another dropped game was attributed to Georgia Southern, runners up in the NAIA tournament. Highlights of the season were: Doug Alexander being named to the first All Georgia College Team, Jerry Sams setting a new Petrel rebound record of 25 in one game, and Walker Heard making the NCAA All Regional team at Durham.

After a barren year of tennis a year ago the Oglethorpe tennis season in 1966 will be a hopeful one, since scholarships were available for the first time in this sport. Coach John Guthrie assisted by Coach Garland Pinholster have started early conditioning the team and it looks as if a fine tennis season is in the making.

Baseball at Oglethorpe in 1966 promises a young team, primarily freshmen and sophomores. This team will be of high calibre, however, for this year as never before, Oglethorpe has been fortunate to acquire top-notch players via grant-in-aid scholarships. Under the tutelage of Coach Bill Carter, the Petrels, should be able to improve upon their 9-11 mark of a year ago.

Under the superb leadership of Sewell P. (Chief) Edwards both this year's Girls' Rifle Team and Boys' Pistol Team built up a fine record for themselves. The girls brought special honors to themselves and Oglethorpe by being featured in the *Atlanta Journal Magazine* in January.

THE WAY OF VIRTUE

FACULTY and ADMINISTRATION

The President . . . Influencing All Facets of Campus Life

DR. PAUL R. BEALL
President, Oglethorpe College

Greetings to all Oglethorpians!

You have asked me to speak of the future.

Boss Kettering said wisely, "We are interested in the future because that is where we will spend the rest of our lives."

Note, though, that the only reality of "future" is that instant we call NOW.

"For yesterday is but a Dream
And tomorrow only a Vision.
But today well lived makes
Every yesterday a Dream of Happiness,
And every tomorrow a Vision of Hope.
Look well therefore to this day!"

Sanskrit

Conceding the importance of "now"; *faith, hope* and *promise* are mankind's most potent sources of confidence. Confidence literally means "with faith".

In support of faith, PROMISE may be of most importance. Jane says to John, "We will marry next spring;" Dad says to son, "You will have a bicycle come your birthday;" "We graduate in June!" And so forth.

What of Oglethorpe's promise?

As this is published, construction is underway on new student housing and a student union, with other buildings to follow in our Master Plan.

Oglethorpe's most exciting promise and vigorous challenge is to keep faith with our past and continue in the accomplishment of Oglethorpe's goal to prepare students to earn a living, to live a rich life, and to contribute to the happiness and progress of their fellows.

We live in a great day—a day of good living and a day of helpful promise for Oglethorpe College. It is a pleasure to be with you.

Sincerely,
PAUL R. BEALL
